EGGS-Receipts yesterday, 45,192 cases. Receipts are heavy and the market is generally quiet and irregular. Quality of the supply is running down, and of the fancy Northern goods suitable to the best trade a good many lots are going directly to the warchouses. Dealers looking for such are willing to pay fairly firm prices, and some sales of very high qualities are reported situative above last quorations. On the average good and lower grades there is continued from such redemption date. Interest of the said notes shall coase on the date above specifies.

COTTON MARKET.

The cotton market was generally fea-

Liverpool cables were somewhat lower than due and the English futures market dull, only 3,000 bales changing hands.
At the outset the list was 8 points lower to a point higher, Liverpool interests doing a little each way on the somewhat better grade of support and the list soon rose 3 to 17 points more list 20 to 30 points, but railies occurred at the bottom. Weather news was bear-ish, the map showing generally clear conditions. Forecasts for to-day called

cuch way and there was occasional pres-sure from the South. The market made no particular response, however, until one or two operators covered in the last hour. It then rose 10 to 40 points from Wednesday's finals to its best level of the day. The gain was not entirely held, room traders selling on the bulge. It was evident that sentiment in some circles was again bearish. Late feeling was affected by strength of stocks and . Market still unsettled, with prices reports that the boll worm had been lower on top qualities and fully ic. discovered in the banner county of
